Product information

Glued to 10 mm black Brazilian slate (only support no sharpening stone)
Belgian whetstones in irregular shapes arise from the need to keep the waste of the precious material as low as possible.

Do you love exclusive, handmade and individual products?
Then acquire this unique and irregular natural grindstone.

Application: razors, knives, chisels, tools
Steel grades: up to Rockwell hardness HRC 69

Your Belgian sharpening stone is delivered with small slurry stone, paper box, certificate of authenticity, product brochure and sharpening instructions.
