Delivery **Fri 13. Nov - Sat 14. Nov 2026**

Tetsu Yamashita, cutler in the Japanese Kochi Prefecture, designed the Kujira knives as a beginner's knife.

Young people should use it to cut vegetables, sharpen pencils and practice other light cutting tasks.
The beautiful all-purpose and chef's knives are handmade in Tosa and, despite their playful appearance, have an exceptionally sharp blade.

Kujira whale knife
Minkwal
