Freestyle Mug - for real foam bats

Each item is a unique handmade item.
Stoneware is lovingly handcrafted on the potter's wheel.
Finally oxidizing at 1220 ° C, i.e. burned under excess of oxygen.

The high-quality glazes are food-safe, microwave-safe and dishwasher-safe.

Freestyle Mug - for real foam sticks
Your freestyle mug lies perfectly in the hand due to its elliptical shape.
The ergonomic thumb handle and the four floor grooves guarantee a special experience when whipping foam.
