Product information

Size: 250 x 60 x 20 mm (length x width x thickness)

A French natural stone from the Pyrenees and a Blue Belgian chunk united as a combination stone.

Use with water.

The natural stone from the Pyrenees with a grain size of 1200 grinds and thus removes small impurities and deformations from the cutting edge.
The blue Belgian chunk, grit 6000, maintains, polishes and sharpens the cutting edge.

Areas of application: In all areas where sharp and well-maintained blades are important.
e.g. kitchen, outdoor, hunting, workshop etc.
Your natural combination stone is supplied with a sharpening stone (diameter 27 mm) in a cotton bag, product brochure, sharpening instructions and certificate of authenticity.

All prices are inclusive of VAT.
